CV

PROFILE

Data Analyst with a background in clinical psychopathology research, experienced in transforming raw, unstructured data into actionable insights that support evidence-based decision-making, improve operational efficiency, and identify opportunities for growth.

Experienced in statistical analysis, and dashboard creation using Python, R, and Tableau.

I am currently seeking a Data Analyst position, open to learn from data-driven roles across different industries. Open to relocation and remote or hybrid opportunities.

WORK EXPERIENCE

- | | |
|---------------------|--|
| Nov 2025 – Present | Merchandising Assistant, Carrefour • Barcelona, Spain <ul style="list-style-type: none">• Prepare and set up in-store promotional materials for frequent leaflet changes and weekend offers (use of Adobe Illustrator). |
